**NOTES:**

- **Article XIII Section 6. False Alarms states: ...When the Police Department responds to a burglar alarm, the initial response shall be free of charge; the second response shall be \$50; the third response shall be \$100. When the Fire Department responds to an alarm malfunction or accidental activation, the first response shall be free of charge; the second shall be \$100; the third response shall be \$200. The Police Chief or Fire Chief or senior officer to an alarm response will determine whether an alarm was a malfunction by the alarm system or an accidental activation...**
- **Article XIII Section 8. Penalties for Offenses states: Any person operating an alarm system without a permit from the Select Board violates the provisions of this bylaw and shall be subject to a fine of \$100 for each offense.**
- **You will not receive a hard copy permit back; your application and proof of payment for the calendar year will be kept on file at the Town Hall.**
- **This Alarm Permit Application is in no way related to any permits obtained by the Wiring Inspector, and is renewable by January 15 of each year.**
