
Conservation Commission Minutes 2/14/18

CONSERVATION COMMISSION

Town of Monterey, Massachusetts

MEETING DATE: 2/14/18

Present: Claudia Crane, Marion Simon and Mark Little

The meeting convened at 6:00p.m.

Green – Sylvan Rd – RDA – remove existing rotted timber retaining wall at shore and replace with rocks (*M. Little is the project manager*)

Justin Thompson of Great River Construction was present to review the project details. The project was approved as a N3 with the following conditions; 1. Removal of all timber from site and 2. Silt fence/waddles to be installed between lake and work.

230 Beartown Mtn Rd – SMARDA – install septic system and remove cesspool (*R. Wolin is the project manager*)

Mike Parson of Kelly Granger and Parsons was present to review the project details. The Commission approved the project with a negative determination as the activity described will not have a substantial impact on the natural scenic qualities of the mountain region and therefore is not a regulated activity.

Lee – RDA – 16 Point Rd - to remove phragmites and cover with weed suppression mats; install stone path; repair supports and replace shed and reduce lawn and replace with native plant beds (*M. Little is the project manager*)

Bridghe McCracken of Helia Land Design was present to review the project details. The project was approved a N3 with the condition that straw waddles be installed.

For Discussion:

- Mail was reviewed.
- Minutes from Nov and Dec 2017 and Jan 2018 were approved as written.
- Dennis Lynch came in to discuss the MVP working group.
- Peter Close came in regarding his filings and conversations with DEP.
- Mike Germain came in to discuss the Lake Garfield drawdown order of conditions and other lake filings.

Meeting adjourned at 8pm
