The meeting of January 22, 2018 opened at 10am with N. Champigny, K. Purcell and J. Rodriguez present. R. Champigny and L. Hebert were absent.

K.P. Jane Kelley,R,N, foot care nurse, has reduced her visits from every other month to 3 times a years. Great Barrington continues with twice a month appointments. Mrs. Kelley wants us to know that training for certification is available from the Wound and Ostomy Care Association and the American Orthopedic Foot Society.

K.P. heard from Kristen Huss, G.M. of the Pittsfield Suns Baseball Team, about tickets for an event in July. The Council has done this 3 times with 23 to 28 attending.
