RE: Special Permit Application for 19 Buckingham Lane

To the Zoning Board of Appeals,

Below is additional information as requested during review of the application.

1. The height from grade to the second story roof peak is 22'-0".
2. The height from grade to entry addition roof peak is 12'-6".
3. Below is an excerpt from the submission that provides habitable and total area.

TABLE OF DIMENSIONAL REQUIREMENTS				
Category	Requirement	Existing	Proposed	Conformance
Habitable Area	NA	2,075 sq. ft.	2,098 sq. ft.	NA
Total Area	NA	2,520 sq. ft.	2,543 sq. ft.	NA

Please let me know if there is any other information that needs to be provided.

Sincerely,
Brian Bordonaro
