**Bonfire** ( Wendy J) we will need some firewood if folks have some extra. Laurie will get the burn permit. Wendy and Laurie will meet with Justin Makuc (fire dept) to find the safest spot for the fire. Wendy is waiting to hear back from Tom Ryan who is trying to find us a “burn boss”. Wendy tried to get Adam Brown but he is unavailable that day.

**Activities** will be: sledding, snow angels, snow people, Catherine suggested “Building your own Lantern” and/or candlemaking. She will look into the costs for the projects. If there is no snow, stick sculpture was suggested. Catherine also suggested a Scavenger Hunt and that maybe Carrie would like to put this together. Catherine will check with her.

**Music?** : Laurie’s son, Andrew is a DJ and maybe he would be willing to set up some music for us. It might be best to have him set up inside the CC and face speakers out the windows?

**Food:** *Chili* will be made by Kyle

*Hot dogs/Rolls* will be taken care of by Laurie

*Hot chocolate?*

*Cider?*

*Cookies:* Possibly Gould Farm (Mary will check) or Kyle, Wendy G., Laurie, Wendy J

Hot and cold cups, plates, napkins, spoons can come from upstairs in CC, church basement (Kyle)

Mary has contacted Brian Fahey from the Police, all is good.

Mary has contacted Hume and received a \$100 donation.

Mary will wait until closer to the date to talk to Jim Hunt DoO about snow removal, if necessary

**Advertising:** Wendy G. will talk to Mo about a poster. We should request that folks bring their own chairs. Wendy J will make sure the MN has the information. Mary wants to advertise this as the kick off for Monterey 175.

The CC will be closed except for the use of the bathroom. Someone must make a sign for the door?

**Mary’s Evaluation:** the group met for a few minutes without Mary and realized that many of us don’t really know all of the things that Mary does. We will put this on the agenda for our March meeting.

Meeting Adjourned: 11:30
